

14F-150

Thank you for your interest in the new **2014 Ford F-150**. Included in this brochure you'll find information about:

CAPABILITY: Buying a full-size pickup? Here are some hard facts to think about: The F-150 can haul more cargo than any competitor in the class of full-size pickups under 8,500 lbs. GVWR and also has huge Class V trailer towing capability (maximum 11,300 lbs.).

POWER: The F-150 offers a line of four engines beginning with the 3.7L Ti-VCT V6. There are two powerful V8s to choose from – the 5.0L and the 6.2L. And there's the innovative 3.5L EcoBoost® option that supplies the power in the exciting new F-150 Tremor.

INTERIOR: The road might be bad. The weather too. But inside, you'll experience ride comfort that's quiet and smooth. And there's the assurance that comes with a sturdy steel safety cage and safety features such as the Safety Canopy® System.

INNOVATION: F-150 offers available box side and tailgate steps that make it easier to access the pickup bed. There's the available LCD productivity screen – plus SYNC® with MyFord™ or MyFord Touch™ to help keep you connected and informed while on the road.

IT'S ALWAYS BETTER AT THE TOP.

At work. Or play. Ford F-150 rises above. Year after year after year. 4 advanced engines. 3 cabs and 3 box lengths. No wonder F-Series has been America's best-selling truck for 36 years running. And for 2014, there's no slowing down. STX is available in SuperCrew with a 5.5-ft. box configuration for the first time, and a new STX Sport Package debuts. An updated LIMITED includes new Marina Blue leather-trimmed seats. A new SVT RAPTOR Special Edition Package heats up the trail, while a new TREMOR shakes up the street. Featuring a 3.5L EcoBoost® V6 engine, 4.10 electronic-locking rear axle and HID headlamps on a 126" Regular Cab, TREMOR will scream. F-150 continues its tradition of delivering best-in-class¹ max. payload capability (3,120 lbs.),² plus up to 81.3 cu. ft. of cargo box volume. With class-exclusive deployable box side steps,³ tailgate step,³ high-intensity discharge (HID) headlamps,³ and off-road display in the LCD productivity screen,³ you expect to go further in a 2014 F-150.

XLT SuperCrew 4x4. XLT Chrome Package. Ingot Silver. Available equipment.

SERIOUS BOOST. IMPRESSIVE EFFICIENCY.

F-150 equipped with our 3.5L EcoBoost® direct-injection twin-turbo engine delivers 420 lb.-ft. of torque, 90% of which comes on strong from 1,700 rpm. Maximum towing capacity: 11,300 lbs.¹ Maximum payload capacity: 3,100 lbs.¹ Plus, it has an EPA-estimated rating of 22 hwy mpg.² On EcoBoost 4x4s, the 36-gallon fuel tank means F-150 has an EPA-estimated range of 551 miles³ between fill-ups. This proven engine was pushed to extremes in durability testing to the equivalent of 1.6 million miles and 10 years of use in the harshest environments. Now, with over 400,000 EcoBoost powered Ford F-150s sold,⁴ it is proving itself daily on job sites, farms and roads (paved and unpaved) all across America. In the Built Ford Tough® lineup, EcoBoost has solidified its place.

EPA-ESTIMATED RATING OF  **22 HWY MPG²**

FX2 SuperCab. Sterling Gray. Available equipment.

¹When properly equipped. ²EPA-estimated rating: 16 city/22 hwy/18 combined mpg, 3.5L EcoBoost, 4x2. Actual mileage will vary. ³EPA-estimated rating: 15 city/21 hwy/17 combined mpg, 3.5L EcoBoost, 4x4, 36-gallon tank. Range calculation based on www.fueleconomy.gov. Actual mileage will vary. ⁴Based on CY sales January 2011 to October 2013.

4 CHOICES. MIGHTY RETURNS.

In horsepower, torque and fuel efficiency. With the Built Ford Tough® lineup of Ford F-150 engines, there's one with exactly what you need. Get 411 hp with the 6.2L V8.¹ For low-end grunt, there's plenty in both V8 and V6 offerings: 434 lb.-ft. of torque from the 6.2L V8 or 420 lb.-ft. with the 3.5L EcoBoost.^{®1} And the standard 3.7L V6 has an EPA-estimated rating of 23 hwy mpg.² Whatever you choose, a standard 6-speed automatic transmission and available SelectShift® automatic make it easy to engage. Twin independent variable camshaft timing (Ti-VCT) enables precise control of the camshafts on 3 of these high-tech engines, for efficient operation and plentiful power. Every engine in the F-150 lineup is proven over millions of miles of harsh testing (laboratory and real-world) and engineered to meet Built Ford Tough standards for long-lasting durability. From sunrise to sunset, you depend on F-150 to tow, haul, work and play like no other. Rest assured, it delivers.

FUEL-EFFICIENT. FLEXIBLE FUEL.

Outstanding fuel efficiency results from the standard 3.7L Ti-VCT 4-valve V6 flex-fuel vehicle (FFV) engine that can run on E85, gasoline or any combination of the two. It also delivers 302 hp and 278 lb.-ft. of torque. Piston cooling jets spray oil directly on the underside of the pistons to help keep them cool under extreme operating conditions.

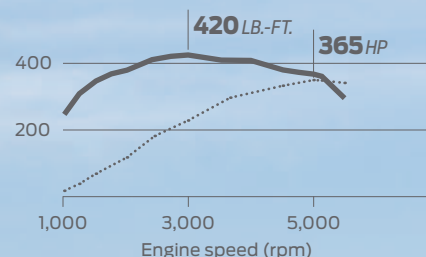

EPA-estimated rating: 17 city/23 hwy/19 combined mpg²

POWER. EFFICIENCY. JUST WHAT YOU NEED.

This innovative 3.5L EcoBoost Ti-VCT engine¹ delivers an impressive 365 hp, 420 lb.-ft. of torque and a max. towing capacity of 11,300 lbs. It reaches 90% of peak torque all the way down at 1,700 rpm and holds strong all the way up through 5,000 rpm. Twin turbochargers combine with high-pressure direct injection for remarkably balanced performance. For outstanding efficiency, just ease off the throttle.

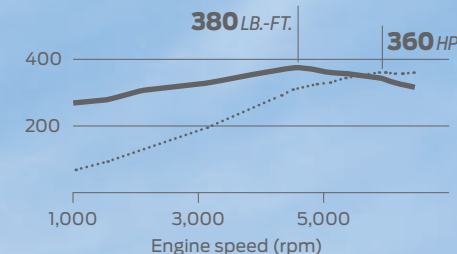

EPA-estimated rating: 16 city/22 hwy/18 combined mpg⁴

LOW-END TORQUE. HEAVY-DUTY CAPABILITY.

Our 5.0L Ti-VCT 4-valve V8 FFV engine¹ delivers 360 hp and 380 lb.-ft. of torque. Its intake camshaft is specifically designed to help achieve low-end torque, while cast exhaust manifolds and a unique engine oil cooler allow for heavy-duty use and durability.

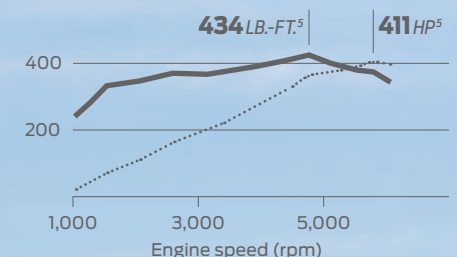

EPA-estimated rating: 15 city/21 hwy/17 combined mpg³

MONSTROUS HP. DITTO THE TORQUE.

A free-breathing beast, the 6.2L 2-valve V8 delivers 411 hp and 434 lb.-ft. of torque. Baja-tested by the Ford Special Vehicle Team (SVT) and shared with F-Series Super Duty,[®] this proven powerplant boasts a cast-iron engine block with 4-bolt main bearing caps and 2 additional cross bolts for extreme durability. Utilizing 2 spark plugs per cylinder enhances efficiency and increases engine torque.

EPA-estimated rating: 13 city/18 hwy/15 combined mpg⁶

SVT RAPTOR SuperCrew 4x4. Ingot Silver. Available equipment.

¹Available feature. ²EPA-estimated rating: 17 city/23 hwy/19 combined mpg, 3.7L 4x2. Actual mileage will vary. ³EPA-estimated rating: 15 city/21 hwy/17 combined mpg, 5.0L 4x2. Actual mileage will vary. ⁴EPA-estimated rating: 16 city/22 hwy/19 combined mpg, 3.5L 4x2. Actual mileage will vary. ⁵6.2L horsepower and torque achieved with 93-octane premium fuel. ⁶EPA-estimated rating: 13 city/18 hwy/15 combined mpg, 6.2L 4x2. Actual mileage will vary.

READY AND STABLE.

Ford F-150 helps keep your trailer where it belongs. In line. With a max. towing capability of up to 11,300 lbs.¹ in every cab type, the stabilization benefits of standard trailer sway control, and an integrated trailer brake controller,² F-150 offers a high level of towing confidence. Standard hill start assist helps prevent you from rolling back on a grade by momentarily maintaining brake pressure until the engine delivers enough torque to move the truck up the hill. Trucks equipped with the trailer brake controller can automatically apply the trailer brake too. Included in every Trailer Tow Package, our 6-speed SelectShift[®] automatic transmission features a progressive range select mode you can use to lock-out upper gears for better performance when the truck is heavily loaded or when towing on grades. In the Max. Trailer Tow Package on select models, convenient PowerScope[®] trailer tow mirrors feature both power-telescoping and power-folding functionality. Tow more. Sweat less. With F-150.

CARRY THE DAY WITH CLASS-BEST PAYLOAD.

Any way you stack it, Ford F-150 helps you be as productive as possible. With a cargo box volume of up to 81.3 cu. ft. and a best-in-class 3,120-lb. max. payload¹ capability, F-150 can help you haul more materials in each load, which could reduce the number of trips you make to and from the work site. And managing cargo is easy thanks to the best pickup box access¹ in the class – steps on all 3 sides including our class-exclusive tailgate step² and deployable box side steps² (each side step can handle up to 500 lbs.). Crossmembers on the fully boxed frame of F-150 are precisely positioned, then throughwelded to help create a highly rigid structure, minimizing frame flex and contributing to stable hauling and towing. Opt for the Tough Bed[®] factory-installed spray-in bedliner,² where industrial-grade synthetic lining is applied directly to the bed for durable, long-lasting protection. Haul more. Work smarter. That's F-150.

READY TO ROCK YOUR WORLD.

Meet F-150 SVT RAPTOR, our Baja-proven, high-speed, off-road performance truck. Built on F-150 underpinnings, SVT RAPTOR is locked and loaded for off-road readiness right from the start. RAPTOR features a 4.10 front axle with TORSEN® differential, a 4.10 rear axle with electronic-locking differential, underbody skid plates, Hill Descent Control,[™] and off-road-tuned front and rear shock absorbers for serious, slow-speed rock-crawling prowess. The 17" forged-aluminum bead-lock-capable wheels¹ can be paired with bead-lock rings² from Ford Racing, enabling you to air down with confidence for much-needed grip when off-roading. Track the action on the class-exclusive off-road display in the LCD productivity screen.¹ And when off-roading at low speeds, a class-exclusive front view camera¹ displays a wide-angle view on the 8" MyFord Touch® screen.³

KEEPS YOU CONNECTED.

To what really matters. Family. Friends. Your music. The job site. With voice-activated Ford SYNC^{®1} delivering hands-free calls, Bluetooth[®]-streaming music and more with simple voice commands, staying in touch is easy. Once paired, SYNC can download your contacts and play music from your smartphone, MP3, USB or iPod.[®] Just touch a button on the steering wheel and say things like "Call: Kevin Martin" or "Play playlist: Country." **SYNC with MyFord[®]** is optional on XLT and standard on FX2, FX4 and SVT RAPTOR. This system includes a 4.2" LCD productivity screen in the center of the gauge cluster, 5-way controls on the steering wheel, and a 4.2" screen in the center stack. On models equipped with MyFord, SYNC AppLink^{™2} lets you control Pandora,[®] iHeartAuto,[™] SiriusXM[®] and select other apps by voice too. Taking command of any road is easy in F-150. SYNC. Say the word.

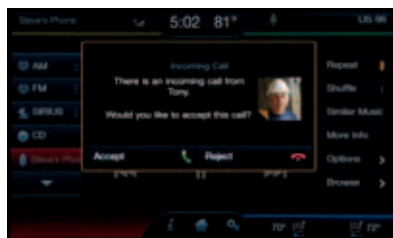

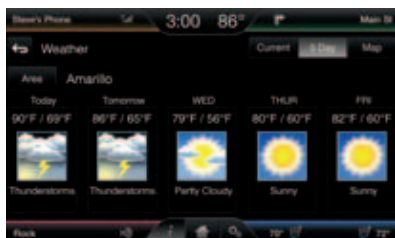

XLT SuperCrew 4x4. Steel Gray cloth interior. Available equipment.

¹Available feature. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Not all features are compatible with all phones. ²SYNC AppLink is available on select models and compatible with select smartphone platforms. SYNC AppLink is not compatible with MyFord Touch.[®] Commands may vary by phone and AppLink software.

14F-150
ford.com

READY FOR YOUR COMMAND.

SYNC® with MyFord Touch®¹ brings a high level of functionality to every road – and trail. Control your phone, entertainment, navigation² and climate by voice, a touch of the 8" LCD color screen, or through the use of the knobs and buttons below. Available on FX models and higher, the system also features a media hub with dual USB ports, an SD card reader and A/V input jacks. To further enhance your journey, SiriusXM® Satellite Radio² includes a 6-month Sirius All Access trial subscription. Enjoy every premium satellite radio channel, including commercial-free music, plus sports, news, talk, and entertainment channels. Vehicles with a voice-activated Navigation System² may also receive SiriusXM Traffic and SiriusXM Travel Link services as part of the trial, so you'll have the ability to look up fuel prices, check local and national weather, and get detailed traffic information.

¹Available feature. Driving while distracted can result in loss of vehicle control. Only use SYNC/MyFord Touch/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. ²Available feature.

HARD WORK HAS ITS REWARDS.

After a hard day's work, F-150 is ready to reward you. Choose the luxurious LIMITED, where seats are thoughtfully contoured to provide needed support in all the right places. The ultra-convenient one-touch 60/40 split rear seat folds up to reveal 55.4 cu. ft. of cargo space and the only completely flat load floor available in the class. Recharging multiple devices is easy with a standard 12-volt powerpoint up front, plus another next to the 110-volt power outlet on the rear of the flow-through center console,¹ and another inside the console. Seating is uniquely trimmed in rich, full-grain Marina Blue leather (new for 2014) and accented by distinctive cloisonné badges. A laser-engraved serialization plate on the console lid reinforces its LIMITED status. And yours.

LIMITED SuperCrew 4x4. Marina Blue Premium Leather.

¹Available feature. ²F-150 SuperCrew. 2014 model not yet tested.

FX Appearance Package

(Regular Cab requires TREMOR Package)

Body-color grille surround
with low-gloss black 3-bar insert

Bodyside and hood graphics

20" 6-spoke flat-black-painted
aluminum wheels

Unique fender and tailgate badging

4" black tubular cab steps

Chrome exhaust tip

Black Sport leather-trimmed front
bucket seats with Alcantara® inserts

door-trim panels and flow-through
center console

MAKE A FORCEFUL IMPRESSION.

With a low-gloss black 3-bar grille and body-color surround, hood and bodyside graphics, 20" flat-black-painted aluminum wheels and black tubular cab steps, the FX Appearance Package leaves a lasting impression. Inside, the impact is much the same. Joining FX Series standards like SYNC® with MyFord® and SiriusXM Satellite Radio, FX Appearance Package leather-trimmed front seats feature Alcantara inserts and a driver 6-way power seat adjustment. A unique Bronze finish accents the instrument panel, center stack and center console. Distinctive look. Rugged character. The FX Appearance Package is designed to impress – time and time again.

GET YOUR QUAKE ON.

How to build one very mean street truck. Start with seating for 2, a center console, and a 126" wheelbase Regular Cab F-150. Add: a 365-hp 3.5L EcoBoost® engine; a 4.10 electronic-locking rear axle; high-intensity discharge (HID) headlamps; hood and bodyside graphics, including TREMOR decals; SYNC® with MyFord Touch®; power-adjustable brake and accelerator pedals; and more. The new F-150 TREMOR leaves ordinary trucks trembling in its wake. Want more? TREMOR Plus adds a voice-activated Navigation System, rear view camera and more. For complete package contents, look right. To see TREMOR in action, follow the instructions at top right. The streets just got a whole lot meaner.

¹Heavy-Duty Payload Package only. ²TREMOR Package only. ³Max. Trailer Tow Package only. ⁴SVT RAPTOR only. ⁵LIMITED only. ⁶Requires Heavy-Duty Payload Package and Max. Trailer Tow Package.

New Vehicle Limited Warranty. We want your Ford F-150 ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty. **Roadside Assistance.** Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages. **Ford Credit.** Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com. **Ford Extended Service Plan.** For a purchase or lease, the Ford Extended Service Plan (ESP) gives you "Peace-of-Mind" protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln dealerships. **Insurance Services.** Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company. **Genuine Ford Accessories** will be warranted for whichever provides you the greatest benefit: 12 months or 12,000 miles (whichever occurs first), or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's warranty. FLA are fully designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.

Comparisons based on 2014 competitive models (class is Full-Size Pickups under 8,500 lbs. GVWR), publicly available information and Ford certification data at time of release. Some features discussed may be optional. Vehicles throughout this PDF are shown with optional and aftermarket equipment. Features shown may be offered only in combination with other options or subject to additional ordering requirements or limitations. Dimensions and capacity ratings shown may vary due to optional features and/or production variability. Following release of the PDF, certain changes in standard equipment, options and the like, or product delays may have occurred which would not be included in these pages. Your Ford Dealer is the best source for up-to-date information.
