

Desk with confidence. Desk with speed.

Speed and accuracy, that's what defines DealerPeak Desking. This tool is so fast, easy and powerful, you will actually prefer to use our desking than key it into your DMS.

Built for the real world, DealerPeak Desking allows you to have as many deals open at one time as you need. Extensive keyboard commands allow you to fly through your deals making each pencil a snap.

Ready to present digitally? Use our Tablet Desking solution to speed up the process further and give customers a better buying experience.

"DealerPeak's desking tool is the key to our success. Every deal change can be tracked, every presentation to the customer is saved and you can even negotiate online."

Garrett, President Experience Auto Group We take great pride in the accuracy of your deals. Our seasoned desking pros perform a rigorous quality control process to ensure your deals stand up to the banks. We match our calculations with those in your DMS for multiple lease and retail scenarios.

This is time intensive, detailed work, but we know it has to be right. So contact us today to see a live demo of how fast and easy DealerPeak Desking is.
