Toyota TrueStart June 2016 Battery Promotion

Purchase a Toyota TrueStart battery during the month of June from your local Toyota dealer and receive a \$25 rewards card from Toyota.

Extreme temperatures and inactivity are a battery's main adversaries and can reduce the life of your battery. Toyota TrueStart batteries meet or exceed original equipment specifications and are the only Toyota authorized warranty replacement for the original equipment battery. Toyota underscores the quality of TrueStart batteries with an 84-month service replacement warranty and 24-months of roadside assistance reimbursement. Remember, there's no such thing as a convenient battery failure.

Online Redemption

To receive your \$25 rewards card by mail, complete the online form and submit your proof of purchase. Please have your name and address, your vehicle's VIN number, battery part number, date of purchase, and a digital copy of your receipt to upload online.

A step-by-step guide will be provided online at: <http://www.toyotabatteryrewards.com>.
